## SUMMARY

Passionate A-level student with a keen interest in Computer Science, Physics, and Mathematics, aspiring to become a future pilot. Known for my logical thinking, I thrive in problem-solving environments. Currently navigating the academic challenges of A-levels, I am determined to combine my love for technology and aviation in the future.

## EXPERIENCE

### IT Administrator, Strela LTD; Leicester, Leicestershire — 2022–Present

Manage all IT infrastructure, including websites, email systems, and employee devices. Develop and maintain spreadsheets and databases to streamline operations. Create and manage a custom inventory system. Provide technical support and troubleshoot IT issues. Continuously optimise IT systems to enhance efficiency and productivity.

### Assistant Instructor, Leicester PKA; Leicester, Leicestershire — 2018–Present

As an Instructor at Leicester PKA Kickboxing, I am passionate about helping children who have faced bullying regain their confidence. Having overcome bullying myself, I understand its impact on self-esteem. This drives my commitment to creating a supportive environment where young individuals learn kickboxing skills, empowerment, and resilience.
